

Welcome!

Please take this opportunity to meet new colleagues.

We suggest that you sit at a table where at least one person is new to you.

Education Staff Development Program (ESDP)

Workforce Development Module

Introduction

April 15-16, 2013

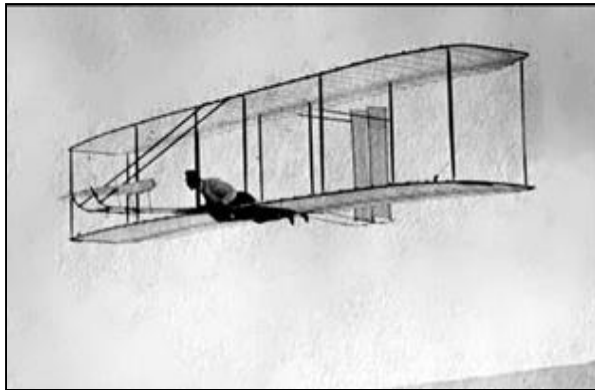

9:00 to 9:30 AM

Jakarta, Indonesia

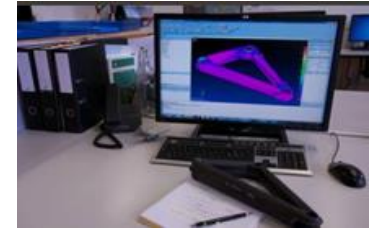

“It is possible to fly without motors,
but not without knowledge and skill.”

Wilbur Wright (1867-1912)
Airplane inventor

SOLARIMPULSE

An airplane that flies without fossil fuel

2010

Flew across
Switzerland

2012

Flew from Spain to
Morocco

2015

Fly around the world

2011

Flew to Brussels and
Paris

2013

Fly from US West
Coast to East Coast

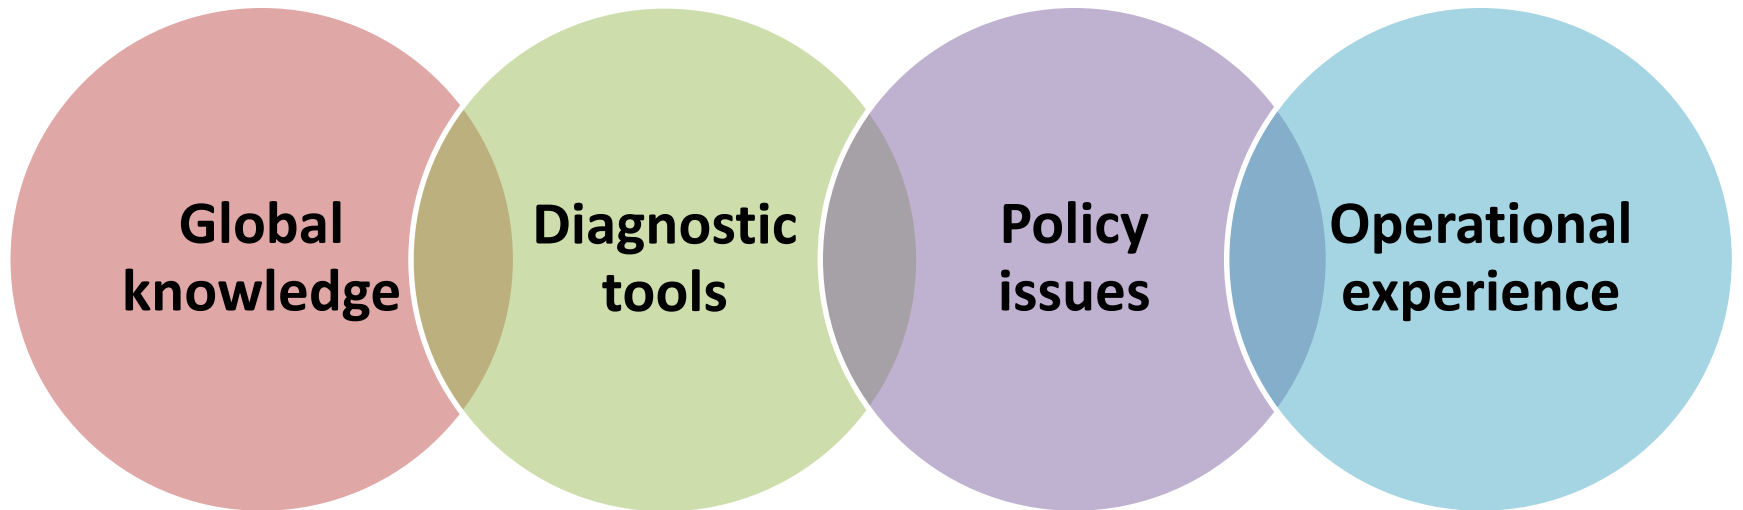

Course Objectives

To impart to participants knowledge about:

- A **conceptual framework** for understanding what matters in workforce development (WfD);
- Two **new diagnostic tools** and their application in selected countries:
 - SABER-WfD
 - STEP Skills Measurement
- Selected **policy design issues in WfD**, including governance and organization of WfD systems, financing, and quality assurance in WfD; and
- **Operational support for WfD** and ideas for innovation and improvement.

Curriculum Design

Day 1: Knowledge, diagnostics and Policies

Session 1.1

- Framing what matters in workforce development

Session 1.2

- How and what can we learn from the top performers?

Session 1.3

- Diagnostic tool: SABER-WfD

Session 1.4

- Drilling down on policy design: Governance and Finance

Day 2: Diagnostics, Policies and Operations

Session 2.1

- Drilling down on policy design: Quality Assurance

Session 2.2

- Diagnostic tool: Skills analysis and measurement

Session 2.3

- WB operations supporting workforce development

Session 2.4

- Next generation operations

Expected Outcomes

Participants will:

- Have better understanding of what matters in WfD
- Be able to ask the right questions about WfD
- Know about new tools for analyzing WfD issues
- Be aware of resources to support their work

Course Faculty for ESDP-WfD

Jee-Peng Tan – TTL

Ryan Flynn – ESDP-WfD team member

Andrea Bateman – course facilitator

April 15-16:

WfD Team

ECD Team

April 17

April 18-19:

ECD Team

WfD Team

Nutrition during the course depends on you too!

- Speak up during Q&A and discussion time
- Listen to others and respect time constraints
- Engage actively in the hands-on exercises
- Link new knowledge to your own experience
- Provide feedback for improvement

Other organizational details...

- A USB with materials for both the ECD and WfD modules (agenda, PPTs, readings, technical resources etc.)
- A folder with the agenda, speaker bios, participant information
- Certificates from the World Bank
- Course evaluation

Thank you and let's enjoy Jakarta!
