

Learning: A KEY ACCELERATOR TO ACHIEVING DEVELOPMENT GOALS

<p>Accelerating Learning with Technology</p>	<p>Why OLC?</p>	<p>Pathways to Learning</p>	<p>The OLC Difference</p>	<p>Our campus is open to help you change the world</p>
-----------------------------------------------------	------------------------	------------------------------------	----------------------------------	---------------------------------------------------------------

Development challenges are difficult to solve because they are caused by multiple, interdependent factors

Learning is a key to finding solutions to these challenges...

...because it creates behavior change, and that is where knowledge becomes action.

Just when demands for learning are pushing the boundaries...

...technology has transformed the learning landscape...

...making it easier to scale and reach thousands more people.

That's why we've created the Open Learning Campus

OLC

- Multi-channelled
- Mobile accessible
- Collaborative learning
- Dynamic
- Blended process of formal and informal learning
- Transformative
- Ideas sourced from inside and outside
- Promotes self-awareness
- Wide content range

<p>WBx Talks Bite-sized lessons for busy learners</p> <ul style="list-style-type: none"> TED talks Podcasts Storytelling Multimedia Mobile apps Curated from internal and external sources 	<p>WBa Academy Destination for deeper learning</p> <ul style="list-style-type: none"> Innovative Practitioner focused Facilitated or self-directed learning MOOCs: Unlimited participation Partnerships with global learning providers Customized to local needs 	<p>WBc Connect Connecting with peers and experts</p> <ul style="list-style-type: none"> Share and scale innovative solutions Exchange ideas Knowledge and solution hubs World Bank staff, clients and partners connect Communities of practice
