

# Farmer Platforms

## Farmer platforms provide products and services to farmers across the entire agricultural lifecycle

**Farmer platforms typically focus on 1-2 core services initially, before expanding to capture other adjacent opportunities**

## Farmer platforms in Omnivore's portfolio (presenting today)

	Input linkages	Input financing	Farmer advisory	Output storage	Output linkages	Output financing
Grain	 DeHaat® Seeds to Market	 DeHaat® Seeds to Market	 DeHaat® Seeds to Market	 arya.ag	 arya.ag  DeHaat® Seeds to Market	 arya.ag
